Md Shadnan Azwad Khan

Curriculum Vitæ

Last update: November 4, 2024.

Personal Information

Nationality: Bangladeshi **Date of Birth:** February 7, 1994

Email: shadnan.azwad@proton.me **Phone:** +33 7 51 31 47 60 **LinkedIn:** Shadnan Azwad Khan

Objective: To pursue a research internship (master's thesis) in quantum information theory, quantum computing, and quantum machine learning.

Education

2023 – PRESENT

Master of Science in Computer Science — Quantum Information, *Sorbonne Université*, Paris, France.

Master Year 2: ongoing.

Master Year 1: Mention Bien.

4EU+ Alliance Shared Course: "Quantum Information and Quantum Many-Body Theory", with summer school at the *University of Copenhagen*, Copenhagen, Denmark. Completed as a part of the Advanced Quantum Information Project during Master Year 1.

2013—2018

Bachelor of Science in Electrical and Electronic Engineering with a second major in Computer Science, *BRAC University*, Dhaka, Bangladesh.

Graduated with a double major and honours (academic distinction).

Final Year Design Project Title: "Simultaneous localization and mapping (SLAM) with an autonomous robot."

Final Year Research Project Title: "A new multi-robot search algorithm using probabilistic finite state machine and Lennard-Jones potential function."

Research Semester Abroad: Erasmus+ visiting student, *University of Staffordshire*, Stoke-on-Trent, United Kingdom. Completed as a part of the Final Year Research Project.

2012

High School Diploma, *The Aga Khan School, Dhaka*, Dhaka, Bangladesh.

Completed GCE Advanced levels (attaining Grade *A* in Physics, Mathematics, and Chemistry) under the University of Cambridge International Education curriculum.

Experience

MAR 2019 – AUG 2023

Research Assistant, *Independent University, Bangladesh (IUB)*, Dhaka, Bangladesh.

Research Areas: Swarm Intelligence, Unsupervised Machine Learning, Network Anomaly Detection, and Health Informatics.

JUL 2012 – NOV 2012

Substitute Information and Communications Technology Teacher, *The Aga Khan School, Dhaka*, Dhaka, Bangladesh.

Duties: Academic lesson planning, classroom instruction, and laboratory supervision.

Honours, Grants & Awards

2024—2025 **QICS scholarship grant**, *Quantum Information Center Sorbonne, Sorbonne Université*

2023—2024 **Maîtrise (Master 1) completed with Mention Bien**, *Sorbonne Université*

2024 **4EU+ short-term mobility grant**, *4EU+ Alliance*

2024 **Solidarity scholarship**, *Groupe des Anciens, Sorbonne Université*

2018 **Bachelor's completed with Honours (academic distinction)**, *BRAC University*

2017 **Learning mobility grant for study abroad programme at University of Staffordshire**, *Erasmus+ Key Action 1 programme*

2015 **Dean's list (Summer 2015)**, *BRAC University*

2013, 2014 **Vice-Chancellor's list (Fall 2013, Summer 2014)**, *BRAC University*

2010, 2012 **The Daily Star Award for outstanding achievement in Advanced Level and Ordinary Level Examinations**, *The Daily Star*
